SHARE CAPITAL AND VARIATION OF RIGHTS

4. The shares shall be at the disposal of the General Meeting, which may, subject to Regulations 5 and 32-41, allot or otherwise dispose of them, including but not limited to by way of issuing other securities giving a right to purchase shares in the Company or which are convertible into shares of the Company at its discretion to such Persons at such times and generally on such terms and conditions, and **provided that** no shares shall be issued at a discount, except as provided by section 56 of the Law. **Provided that** the General Meeting may delegate its authority hereunder in accordance with the Law.

5. Unless otherwise determined by the Company according to section 60B (5) of the Law, all new shares and/or other securities giving right to the purchase of shares in the Company or which are convertible into shares of the Company, shall be offered before their issue to the Members on a pro-rata basis of the participation of each Member in the capital of the Company, on a specific date fixed by the Board. Any such offer shall be made upon written notice (the “**Allotment Notice**”) to all the Members specifying:
 - (a) the number of the shares and/or other securities giving right to the purchase of shares in the Company or which are convertible into shares in the Company, which the Member is entitled to acquire, as well as the subscription price per share and any other terms of subscription, and

The Company may, in like manner, dispose of any such new or original shares as aforesaid, which, by reason of the proportion borne by them to the number of Persons entitled to such offer as aforesaid or by reason of any other difficulty in apportioning the same, cannot in the opinion of the Company be conveniently offered in the manner hereinbefore provided.

Provided that this Regulation shall only apply where the proposed shares shall be issued against contributions in cash and shall not apply where the proposed shares shall be issued against contributions in kind (including contributions of shares in other companies).

Provided further that in the case of securities giving rights to the acquisition of shares in the Company or which are convertible into shares in the Company, the rights of Members conferred hereunder will only apply to such securities and shall not apply to the conversion of the securities or to the exercise of the right to subscribe.

6. Without prejudice to any special rights previously conferred on the holders of any existing shares or class of shares, any shares in the Company may be issued with such preferred, deferred or other special rights or with such restrictions, whether in regard to dividend, voting, return of capital or otherwise, as the Company, by Special Resolution, may from time to time determine.
7. Subject to the provisions of section 57 of the Law, any preference shares may be issued on the terms that they are, or at the option of the Company or the relevant Member are, liable to be redeemed on such terms and in such manner as the Company before the issue of the shares, may by Special Resolution determine.
8. If at any time the share capital is divided into different classes of shares, the rights attached to any class (unless otherwise provided by the terms of issue of shares of that

class) may, whether or not the Company is being wound up, be varied with the sanction of a resolution passed at a separate general meeting of the holders of the shares of the relevant class. Subject to the Law, to every such separate general meeting, the provisions of these Regulations relating to General Meetings shall apply, but so that: (a) the necessary quorum shall be at least two (2) Members holding or representing by proxy, in aggregate, at least one third (1/3) of the issued shares of the class, (b) any resolution put to the vote shall be decided on a poll, (c) if at any previously adjourned general meeting of these holders there is not a quorum, the Members present shall be deemed to form a quorum and (d) the resolution sanctioning the variation will be deemed to have been passed in accordance with the majorities set out in Section 59A of the Law.

9. 10. The Company may exercise the powers of paying commissions conferred by section 52 of the Law, **provided that** the rate percent or the amount of the commission paid or agreed to be paid shall be disclosed in the manner required by the said section and the rate of the commission shall not exceed the rate of ten percent (10%) of the price at which the shares in respect whereof the same is paid are issued. Such commission may be satisfied by the payment of cash or the allotment of fully or partly paid shares or partly in one way and partly in the other. The Company may also on any issue of shares pay such brokerage as may be lawful.
11. Except as required by the Law, no Person shall be recognised by the Company as holding any shares upon trust, and the Company shall not be bound by or compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any share or any interest in any fractional part of a share or (except only as by these Regulations or by law otherwise provided) any other rights in respect of any share, except an absolute right to the entirety thereof in the registered holder.
12. Notwithstanding the above, but always subject to the provisions of section 112 of the Law, the Company may, if it so wishes and if notified accordingly in writing, recognise the existence of the trust on any share even though it cannot register it in the Company's register of Members. This recognition is made known with a letter to the trustees and is irrevocable **provided** this trust continues to exist, even if the trustees or some of them are replaced.
13. (a) The Company shall keep a register of Members and a directory of Members under sections 105 and 106 of the Law, which shall be available for inspection by the Members free of charge and by any third party upon the payment of an amount determined by the Board.

(b) Every Person whose name is entered as a Member in the register of Members shall be entitled without payment to receive within two (2) months after allotment or lodgment of transfer (or within such other period as the conditions of issue shall provide) one (1) certificate for all his shares or several certificates each for one (1) or more of his shares. Every certificate shall be under the Seal and shall specify the shares to which it relates and the amount paid up thereon. **Provided that** in respect of a share or shares held jointly by several Persons the Company shall not be bound to issue more than

one (1) certificate, and delivery of a certificate for a share to one (1) of several joint holders shall be sufficient delivery to all such holders. If a share certificate be defaced, lost or destroyed, it may be substituted on such terms (if any) as to evidence and indemnity and the payment of out-of-pocket expenses of the Company for investigating the evidence adduced as the Board thinks fit.

14. (a) **Provided that** if the Company's shares or Depositary Receipts or other securities are listed on any Foreign Market, the Company shall have the right not to keep a register of Members or issue share certificates in physical form, **provided** it complies with the relevant regulations of the relevant Foreign Market and references in these Regulations to the "register of Members" shall be construed as being references to such record of Members, if any and in whatever form, of the Company as may be maintained in accordance with the said regulations.
 - (b) Notwithstanding Regulations 26-31, in the event that the Company's shares or other securities are listed on any Foreign Market, it shall be lawful for the Company to register the transfer of shares even if no appropriate instrument of transfer has been delivered to the Company, **provided that** the relevant transfer has been effected in accordance with the Law or the regulations governing the operation of the relevant Foreign Market. In such case, the Board shall not be entitled to refuse to recognize the transfer of such shares.
15. The Company shall provide financial assistance for the purpose of, or in connection with, a purchase or subscription made or to be made by any Person of or for any shares in the Company or in its holding company, only in compliance with the Law.

LIEN

16. The Company shall have a first and paramount lien on every share for all moneys (whether presently payable or not) called or payable at a fixed time in respect of that share and the Company shall also have a first and paramount lien on all shares standing registered in the name of a single Person for all moneys presently payable by him or his estate to the Company; but the Board may at any time declare any share to be wholly or in part exempt from the provisions of this Regulation. The Company's lien, if any, on a share shall extend to all dividends payable thereon as well as to any other rights or benefits attached thereto.
17. The Company may sell, in such manner as the Board thinks fit, any shares on which the Company has a lien, but no sale shall be made unless a sum in respect of which the lien exists is presently payable nor until the expiration of fourteen (14) days after a notice in writing, stating and demanding payment of such part of the amount in respect of which the lien exists as is presently payable, has been given to the registered holder for the time being of the share, or the Person entitled thereto by reason of his death or bankruptcy.
18. To give effect to any such sale, the Board may authorise some Person to transfer the shares sold to the purchaser thereof. The purchaser shall be registered as the holder of the shares comprised in any such transfer, and he shall not be bound to see to the application of the purchase money nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings in reference to the sale.
19. The proceeds of the sale shall be received by the Company and applied in payment of such part of the amount in respect of which the lien exists as is presently payable, and the residue, if any, shall (subject to a like lien for sums not presently payable as

existed upon the shares before the sale) be paid to the Person entitled to the shares at the date of the sale.

CALLS ON SHARES

20. The Board may, from time to time, make calls upon the Members in respect of any moneys unpaid on their shares (whether on account of the nominal value of the shares or by way of premium) and not by the conditions of allotment thereof made payable at fixed times, and each Member shall (subject to receiving at least fourteen (14) days' notice, specifying the time or times and place of payment) pay to the Company, at the time or times and place so specified, the amount called on his shares. A call may be revoked or postponed as the Board may determine and the Members shall be accordingly notified.
21. A call shall be deemed to have been made at the time when the resolution of the Board authorising the call was passed and may be required to be paid by instalments.
22. The joint holders of a share shall be jointly and severally liable to pay all calls in respect thereof.
23. If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the Person from whom the sum is due shall pay interest on the sum from the day appointed for payment thereof to the time of actual payment at such rate not exceeding eight percent (8%) per annum as the Board may determine, but the Board shall be at liberty to waive payment of such interest wholly or in part.
24. Any sum which by the terms of issue of a share becomes payable on allotment or at any fixed date, whether on account of the nominal value of the share or by way of premium, shall, for the purposes of these Regulations be deemed to be a call duly made and payable on the date on which by the terms of issue the same becomes payable. In case of non-payment all relevant provisions of these Regulations as to payment of interest and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified. The Board may on the issue of shares, differentiate between the holders as to the number of calls, the amount of calls to be paid and the times of payment.
25. The Board may, if it thinks fit, receive from any Member willing to advance the same, all or any part of the moneys uncalled and unpaid upon any shares held by him and upon all or any of the moneys so advanced may (until the same would, but for such advance, become payable) pay interest at such rate not exceeding (unless the Company in General Meeting shall otherwise direct) five percent (5%) per annum, as may be agreed upon between the Board and the Member paying such sum in advance.

TRANSFER OF SHARES

26. The instrument of transfer of any share shall be executed by or on behalf of the transferor and transferee, and the transferor shall be deemed to remain a holder of the share until the name of the transferee is entered in the register of Members in respect thereof.
27. Subject to such of the restrictions of these Regulations as may be applicable (including Regulations 32-41), any Member may transfer all or any of his shares by instrument in writing in any usual or common form or any other form which the Board may approve.

28. The Board may decline to register the transfer of a share on which the Company has a lien.
29. The Board may also decline to recognize any instrument of transfer unless:
 - (a) the instrument of transfer is accompanied by the certificate of the shares to which it relates, and such other evidence as the Board may reasonably require, to show the right of the transferor to make the transfer; and
 - (b) the instrument of transfer is in respect of only one class of shares.
30. (a) If the Board refuses to register a transfer it shall, within fifteen (15) Business Days after the date on which the instrument of transfer was lodged with the Company, send to the transferee notice of the refusal.
 - (b) The registration of transfers may be suspended at such times and for such periods as the Board, may from time to time, determine, **provided always** that such registration shall not be suspended for more than thirty (30) days in any year.
31. The Company shall be entitled to charge a fee, which the Board may specify from time to time, on the registration of every probate, letters of administration, certificate of death or marriage, power of attorney or other instrument.

MANDATORY TENDER OFFER

32. Save in respect of any Exempted Transaction or as otherwise provided below:
 - (a) no transfer or issue of shares and/or other securities giving a right to purchase shares in the Company or which are convertible into shares in the Company, shall be registered; and
 - (b) no Person may directly or indirectly acquire (including by means of entry into a voting arrangement with another Member) an interest in shares and/or other securities giving a right to purchase shares in the Company or which are convertible into shares in the Company,

if the result of such transfer, issue or acquisition would be that the Person acquiring such shares (taken together with any Person acting in concert with them) would directly or indirectly hold such number of shares as would together carry:
 - (i) 30% or more, but not more than 50%, of the voting rights in the Company, or
 - (ii) 50% or more of the voting rights in the Company,unless such Person has made or simultaneously makes an unconditional offer to all Members to purchase all shares held by such Members (an “**Offer**”).
33. The total voting rights in the Company shall be calculated excluding shares held by the Company or any subsidiary thereof subject to the provisions of the Law. An offer shall not be required under Regulation 32 solely as a result of a Person’s interest in shares bearing an increased percentage of the voting rights in the Company due to a share acquisition by the Company or any subsidiary thereof (whether such shares are subsequently held, in treasury in the case of the Company, or cancelled) being effected. For the purposes of Regulations 32-41, if a Person increases its percentage

of voting rights in the Company as a result of any reduction of capital it will be deemed to have acquired such shares. A Person who acquires an interest in Depository Receipts shall for the purposes of Regulations 32-41 be taken to have acquired an interest in the underlying shares (and the depository holding legal title to the underlying shares shall not be deemed to have acquired such shares by reason of holding them for the purposes of the issuance of Depository Receipts).

34. Unless the Board (in its reasonable discretion) determines otherwise, the requirements of Regulation 32 shall not apply where:
- (a) the proposed acquisition of the relevant shares in the Company is to be effected in connection with the exercise of security rights; or
 - (b) the proposed acquisition of the relevant shares in the Company by the relevant acquirer (in case of issuance of new shares by the Company) is to be effected pursuant to the exercise of any pre-emption rights under Regulation 5 unless otherwise determined by the Company pursuant to section 60B(5) of the Law.
35. The Offer must be
- (a) unconditional;
 - (b) in cash;
 - (c) made on the same terms to all Members (other than the offeror itself)
 - (d) made at a price per share not less than the highest price paid by the offeror (or by any Person determined by the Board to be acting in concert with such offeror) for any shares (including shares represented by Depository Receipts) (including those included in the proposed transfer) in the preceding 12 months or during the period during which the Offer is open, or, if no such transfers have taken place in respect of shares, at a price and on terms determined by the Board at its discretion to be comparable to any offer for purchase of shares in the Company.
 - (e) in writing
 - (f) open for acceptance for a period of not less than fourteen (14) calendar days from the making of the Offer
36. If at any time the Board is satisfied that any Member is or was required by Regulation 32 to extend an Offer to all Members but has failed to do so or has not acted in accordance with Regulations 32-41 (including the provision to provide information requested by the Board pursuant to Regulation 40), then the Board may, within twenty-one (21) calendar days of being so satisfied, by notice (a “**Suspension Notice**”) to such Member and any other Person acting in concert with such Member (together the “**Defaulters**”), or to any depository through which interests in such shares are held, direct that:
- (a) the Defaulters shall not be entitled to vote (or direct the voting of) the shares, the acquisition of which should not have been registered or effected without an Offer being made under Regulation 32 or (in case of any other breach) such of the shares in which they have interests as the Board may determine (the “**Default Shares**”) (whether by written resolution or at a General

Meeting either personally or by proxy) or to exercise any other right conferred by membership in the Company in relation to such Default Shares;

- (b) except in a liquidation of the Company, no payment shall be made of any sums due from the Company on the Default Shares, whether in respect of capital or dividend or otherwise, and the Company shall not meet any liability to pay interest on any such payment when it is paid to the Members;
- (c) no other distribution shall be made in respect of the Default Shares; and
- (d) the Defaulters may not transfer any of the Default Shares or any interest therein unless such is (A) pursuant to acceptance of an Offer or (B) a transfer which the Board is satisfied is a bona fide sale of the whole of the beneficial ownership of the relevant Defaulter's Default Shares to a party unconnected with any Defaulter,

and the rights attaching to any Default Shares shall be suspended and/or modified accordingly, and such Default Shares shall be subject to such additional restrictions, as set out in Regulations 32-41, for so long as the Suspension Notice in respect of those Default Shares remains in effect.

- 37. The Board shall only be entitled to withdraw a Suspension Notice if satisfied that neither the relevant Member nor any Person acting in concert with them has any interest in the Default Shares, if approved in advance by resolution of the Members passed at a General Meeting (excluding the Defaulters), or (I) where the Suspension Notice was given in respect of a failure to extend an Offer where so required, if an Offer has been made in accordance (save as to timing) with Regulations 32-41 and (II) where the Suspension Notice was given in respect of any other breach, such breach is remedied.
- 38. If any Person (taken together with any Person acting in concert with them) has at any time, either pursuant to an Offer made under Regulation 32 and/or otherwise, acquired or contracted to acquire such number of shares and/or Depositary Receipts in the Company as would together with any other shares and/or Depositary Receipts held by that Person (or Persons acting in concert with them) carry 80% or more of the voting rights in the Company, such Person may at its sole discretion give irrevocable notice (a "**Drag Along Notice**") to all Members requiring such Members to accept an offer to transfer their shares and Depositary Receipts to such Person for consideration in cash or in kind (a "**Drag Along Offer**"), and such Members (and any Person which becomes a Member following delivery of such Drag Along Notice pursuant to the exercise of a pre-existing option or right to acquire shares or Depositary Receipts, who shall be deemed to have been delivered the Drag Along Notice immediately upon becoming a Member) shall be deemed to have accepted such Drag Along Offer and shall accordingly be obliged to transfer their shares and Depositary Receipts (and deliver executed instruments of transfer) at the same time as the other shares and/or Depositary Receipts sold under the Drag Along Offer (or, if later, seven (7) calendar days after the date of the Drag Along Notice being given or deemed delivered). The Drag Along Offer shall be made in cash or in kind at a price determined in the manner set in point (d) of clause 35 of these Articles.
- 39. If any Member does not on completion of the sale of any shares pursuant to Regulations 32-41 execute instruments of transfer in respect of all the shares and Depositary Receipts in respect of which that Member accepted, or was deemed to have accepted an Offer, or Drag Along Offer, that Member shall be deemed to have irrevocably appointed any Person nominated for the purpose by the Company to be his agent and attorney to execute all necessary instruments of transfer on his behalf

and against receipt by the Company (on trust for such Member) of the purchase monies or any other consideration payable for the relevant shares and Depositary Receipts and to deliver such instruments of transfer to the proposed acquirer (or as it may direct). The Board shall instruct the Secretary to register the proposed acquirer (or its nominee) as the holder thereof and, after the proposed acquirer (or its nominee) has been registered as the holder, the validity of such proceedings shall not be questioned by any such Person.

40. The Board shall have the power to require Members (or those it has reasonable grounds to suspect are Members) to provide it within fourteen (14) calendar days of request with such information (and corroborating evidence and documentation) as it may require in connection with Regulations 32-41 (including, without limitation, such information as may be required to determine whether a Person holds any shares or Depositary Receipts in the Company and/or is acting in concert with another Person and to establish what percentage of the voting rights in the Company are held by that Person and those acting in concert with them). The Company may make requests under this Regulation 40 to Members via the depository for any relevant share deposit programme.
41. The Board shall have full power, authority and discretion to interpret and implement Regulations 32-41 and to waive part or full compliance with the same and to condition any such waiver as it sees fit (including, without limitation, by requiring Member approvals as a condition to a waiver), **provided that** all Members of the same class must be afforded equivalent treatment. Each decision of the Board shall be final and non-appealable. Since Regulations 32-41 are for the benefit of the Company and the Members as a whole, the Board shall (in the absence of fraud, gross negligence or wilful misconduct) have no liability to any Member, any Person who has any interest in shares, or any other Person for the manner in which they exercise or refrain from exercising any powers or discretions under Regulations 32-41 or for any determination which the Board makes (in good faith) as to the application of the provisions of Regulations 32-41 to any particular circumstances.

TRANSMISSION OF SHARES BY REASON OF DEATH OR BANKRUPTCY OR LIQUIDATION OR MERGER OR SIMILAR EVENT

42. In case of the death of a Member, the survivor or survivors where the deceased was a joint holder, shall be the only Persons recognized by the Company as having any title to his interest in the shares. Nothing herein contained, however, shall release the estate of a deceased joint holder from any liability in respect of any share which had been jointly held by him with other Persons.
43. In case of death, bankruptcy, liquidation, merger or other similar event with respect to a Member, the legal representative of the Member who has died, been declared bankrupt, been liquidated, merged or is the object of a similar event, is entitled, if he adduces the necessary supporting evidence to be registered as the owner of the shares held by the said Member. Further, the above legal representative has the right to nominate another Person to be registered as the transferee thereof.
44. In case the legal representative nominates another Person to be the transferee of the relevant shares, he is under an obligation to disclose his above decision by carrying out all actions necessary for the contractual transfer of the relevant shares in favour of the Person who has been so nominated. In this case, all the limitations, restrictions and provisions of these Regulations relating to the right to transfer and the registration of transfers of shares shall be applicable to any such notice or transfer as aforesaid as if the death or bankruptcy or liquidation or merger or similar event with respect to the

Member had not occurred and the notice or transfer was part of the process of a contractual transfer signed by that Member.

45. Any legal representative who would acquire a right over shares, by reason of the death or bankruptcy or liquidation or merger or similar event with respect to the holder, shall be entitled to the same dividends and other benefits to which he would be entitled if he were the registered holder of the relevant shares, except that he shall not, before being registered as a Member in respect of the said shares, be entitled in respect of them to exercise any right conferred by virtue of being a Member in relation to General Meetings. **Provided always** that the Board may, at any time, give notice requiring any such Person to elect, the latest within ninety (90) days either to be registered himself or to transfer the relevant shares. In case the notice is not complied with within ninety (90) days from the day when it was given, the Board may thereafter withhold payment of all dividends, bonuses or other moneys payable in respect of the share until the requirements of the notice have been complied with.

FORFEITURE OF SHARES

46. If a Member fails to pay any call or instalment of a call on the day appointed for payment thereof, the Board may, at any time thereafter, during such time as any part of the call or instalment remains unpaid, serve a notice on him requiring payment of so much of the call or instalment as is unpaid, together with any interest which may have accrued.
47. The notice shall name a further day (not earlier than the expiration of fourteen (14) days from the date of service of the notice) on or before which the payment required by the notice is to be made, and shall state that, in the event of non-payment at or before the time appointed, the shares in respect of which the call was made will be liable to be forfeited.
48. If the requirements of any such notice as aforesaid are not complied with, any share in respect of which the notice has been given may, at any time thereafter, before the payment required by the notice has been made, be forfeited by a resolution of the Board to that effect.
